

Nottinghamshire Fell Championships race 2 Chrome Hill June 29th 2019 Results and after 2 races

Thank you all for competing on a hot afternoon at Chrome Hill. The results presented here are provisional and for scrutiny. In the event of any errors being found please email topwilko@yahoo.com for corrections. Apologies in advance for any errors but over three quarters of the entry forms at Chrome Hill contained errors or missing data such as age, club or running number (and it's taken a bit of detective work to get all the information!); and to help my old eyes, please can entries for the final race at Longshaw be written clearly i.e. print all your information, as compiling all 3 individual championship race results and team championship results on the day will be fraught otherwise!

Full Chrome Hill results including race times will be published in due course via the FRA website by the race organiser.

The results for race 2 of the Nottinghamshire fell champs at Chrome Hill are presented below. The positions of those completing both races is also presented (and refer to race 1 and race 2 results individually to compare those runners having only completed one race for open race and age category points gained so far).

Final race at Longshaw Sheepdog trials on Saturday August 31st. Remember, individual open and age category medals (N.B. open age category runners do not have a separate age category for medals so it is possible for an open age runner to finish 4th overall behind 3 veterans and be 1st open runner and receive no medal) are lowest scores from any 2 of the 3 championship races (in some cases this may be reduced to 1 race).

The team championship race is a single race at Longshaw with only a single team event for each of the men and women and no veteran team categories. Only the first 3 runners of any age count for each club team – subsequent finishers in multiples of 3 for a club will not qualify for any team medals i.e. there will only be one team finish per club for the award of team medals, there will be no B, C etc. club team awards.

Full championship rules are available on this website.

Thanks to you all,

Dicky Wilkinson July 3rd 2019

Race 2 Chrome Hill results – WOMEN

#	Surname	First name	Age cat.	Club	Race 2 CH place	Age cat. place
1	Lunt	Eleanor	Open	LERC	1	1
